DONOR NAME
ADDRESS
ADDRESS

Dear DONOR NAME,

Thank you for your recent gifts to the arts at Stanford. Your support of Stanford Live is allowing us to invite a Grammy-winning ensemble to campus, while your gift to Frost Amphitheater is contributing to the renovation of an iconic venue. I am most grateful for this incredible generosity.

As you well know from your time on the Stanford Live Advisory Council, each year Stanford Live creates lineups with a wide breadth of performers. By sponsoring the Estonian Philharmonic Strings and Choir show, you are ensuring our ability to secure the finest of performers from all over the world.

In addition to our ongoing work of presenting fine shows through Stanford Live, another of my office's main efforts is the renovation of Frost. Thanks to the support of you and other close friends, we are adding state-of-the-art facilities for performers and patrons while keeping the magic of the original amphitheater alive. I hope you are as excited as I am to see a new generation of performers take to this stage nestled among the trees on Stanford's campus.

Thank you again for your incredible gifts of time, talent, and financial support to the arts at Stanford.

Sincerely,

Harry J. Elam, Jr.
